

LINE CARD

BS&B leads with the widest portfolio of pressure safety management technology

Rupture Disk Devices

- Sta-Saf® reverse buckling rupture disks
- Vac-Saf™ two-way rupture disks
- Nu-Saf™ forward acting rupture disks
- Bio-Saf™ sanitary rupture disks
- Saf-T-Graf™ graphite rupture disks
- Burst Alert® sensors

ESPN
Equipement Sous
Pression Nucléaire

Custom Engineered Products

- StaKul™ threaded rupture disk assemblies
- ITC™ disks for transportation applications
- Extruder assemblies
- Welded single use rupture disk assemblies
- Soldered single use rupture disk assemblies
- eVent™ rupture disk devices for eMobility
- TSR™ rupture disks for electrical switchgear protection

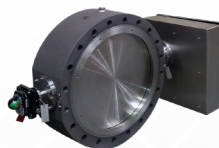

Explosion Prevention and Protection

- IPD® Explosion Suppression systems
- IPD® Explosion Isolation systems
- VentSaf explosion panels
- FlameFree™ venting devices
- Saf-T-Flap explosion isolation valves
- RICO® explosion isolation valves
- VSB building vents
- Sparkex spark detection & extinguishing systems

Specialty Valves

- Buckling Pin Relief Valves
- Buckling Pin Angle Valves
- Safety Relief Valves

Flame Arresters and Breather Vents

- In-Line Deflagration/Detonation Arresters
- End-of-Line Deflagration / Detonation Arresters
- End-of-Line Breather Vents
- Pressure and Vacuum Relief Valves
- Pipe Away Breather Vents

33 CFR Part 154
Appendix A

INNOVATION

BS&B®

Rupture Disk Devices, Customized Solutions, Industrial Explosion Protection, Specialty Valves, Flame Arresters and Breather Vents

Rupture Disk Devices and Customized Solutions

- A wide range of standard and custom-designed rupture disk assemblies are available for your specific application.
- Assemblies are designed for single use; other designs permit the replacement of the ruptured disk.
- Customized designs are available for customer applications which cannot be met using standard assembly designs.
- 1/8 - 72 inches (3mm - 1.8m)
- Burst pressures from below 1 to 100,000 psig (below 0.07 to 6,900 barg)
- Disk assemblies include soldered, welded, crimped and threaded designs

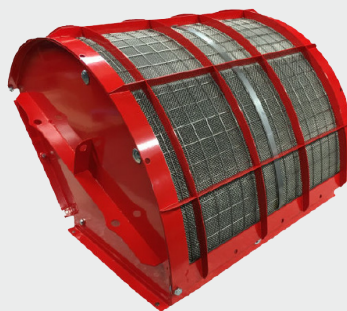

Industrial Explosion Protection

Explosion Suppression and Isolation

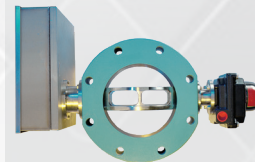

Explosion Venting

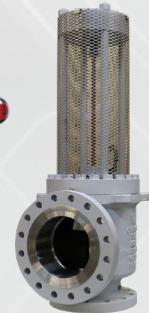

Flamefree™ Venting

Specialty Valves

Buckling Pin Relief Valves

Buckling Pin Angle Valves

Safety Relief Valves

Flame Arresters and Breather Vents
